## PROFESSIONAL EXPERIENCE

### Freelance Graphic Designer

I work with local brands and develop their look and feel, along with thoughtfully creating tactics to increase brand exposure. One of the companies I worked with I created the logo and brand aspect for a MMA company called IUMMAH. Where I was able to give them a voice in the community to show everyone what they are all about.

## WORK EXPERIENCE

### Best Buy | July 2013 - present

#### Geek Squad Installer Cadet Nov 2019 - present

As a Cadet I help Geek Squad Installer Agents with day to day Home Theater installs such as setting up a clients TV either on a stand or on the wall, connecting wireless speakers, setting up smart home remotes, and doing wifi setups.

#### Customer Service Specialist July 2013 - Nov 2019

Assisted customers by completing customer returns or exchanges, completed customer online orders, trained new hires to ring up customers, and down stocked merchandise.

### The Funplex | Sept 2010 - July 2012

Operating rides for guest, Lazer Runner attendant, and making sure tickets are filled for each arcade game while taking care of any issues by fixing coin or ticket jams.
